### Description

This expansion to '65 Squad Level Combat in Vietnam includes a full die-cut sheet (approximately 8.5" x 11") of United States Marines and ANZAC counters (Two sheets), including rifle squads, heroes, and armored fighting vehicles, such as the Ontos, Centurion, and eight scenarios featuring them (Four each Marines and eight ANZACs). The most potent squads in the game, the Marines bring devastating firepower, and heroes with iron discipline to the gaming table.

The forces from Australia and New Zealand played a significant role in Vietnam. We'll let you recreate that role with these ANZAC counters and scenarios featuring their contributions.
