Description

This is a set of nine scenarios for Advanced Squad Leader. The scenarios all include German units from the 7th SS Gebirgs Division "Prinz Eugen". This division consisted of mountain troops made up of ethnic Germans from Croatia, Serbia, Hungary and Romania. In six of the scenarios the Germans are pitted against the Yugoslavia national army or Yugoslav partisans. One scenario has elements of the "Prinz Eugen" division fighting the Italians, while the final two has Bulgarians as the opponents.

These scenarios tend to be a mix of medium and large numbers of troops.
