### Description

In time for the 200th Anniversary of The United States' ill-fated invasion of Canada, **Amateurs to Arms!** is a historical simulation of the War of 1812, playable in 3 hours or less. One player commands the British/Canadian forces, while the other plays the Americans. The game includes all of the theatres of battle including the US/Canadian border and the Great Lakes, the wilderness of the Northwest, the Atlantic Coast of the US, the civilized Indians of the South and the site of Andrew Jackson's dramatic victory at New Orleans.

**Components include:** 22" x 34" period style map Deck of 150 full color cards 352 - 5/8" full color counters 30 - Wood Expedition markers Multiple cardstock Charts and Player Aids 12-page rulebook Designer Notes and Historical Commentary Book
