The game is designed by Jean-Claude Bessida and covers the Nazi invasion of the Soviet Union, from June 22 1941 to January 21 1942, at three weeks per turn. Units are predominantly German corps and Soviet armies (and armored corps). The issue also includes extra counters for En Pointe Toujours II and a few errata counters for Kippour 73.

As with all Vae Victis games, the counters need to be cut out and mounted. Complete with English Rules.
