### Description

Complete, excellent condition unpunched copy in a griptop bag.

Bastogne: The Desperate Defense, December 1944. Vol I of the WESTWALL SERIES.

- A remake of one of the classic SPI folio quad-games.
- Graphics updated to FGA standards.
- Step-reduction introduced.
- Brand new overrun rules with possible adverse effects to the overrunning player.
- All new 1d10 Combat Results Table.
- But still retains the classic "Quad-Game" flavour originated by SPI.
- This simple game system results in a dynamic, fun-to-play game that captures the essence of WWII warfare, where the right gamble at the right moment can change history.
