Description

Refight the bloody clashes on land using our newest release in our line of outstanding miniatures products, **Battles of the French Revolutionary and Napoleonic Wars, Volume I**. This scenario book contains information to recreate twelve diverse battles ranging from 1800 to 1814. Although usable with any grand tactical system, it was designed to complement our own From Valmy to Waterloo miniatures system. Each scenario has its own full page map, a meticulously researched Order of Battle, chain of command, victory conditions, and historical commentary. In alphabetical order, the scenarios are: Albuera, Auerstädt, Maida, Marengo, Orthez, Pultusk, Raab, Rolica, Saalfeld, Saguntum, Shevardino, and Talavera. As an extra bonus a three part section on tactics is included. The best commanders of the age are represented here. Use Battles of the French Revolutionary and Napoleonic Wars, Volume I to surpass their feats of daring!
