Description

Sparks will fly from beneath the wheels of your locomotive as you try to out-plan, out-think, and out-strategize your opponents, as you move the right cargo, to the right place, at the right time....

With rules included in both English and German.

Cargo Express is mechanically simple, however, planning the best moves is complex. Moreover, each player has to cope with always changing conditions.

Game design by the very talented author, Krzysztof Matusik, and graphic design work created by the always amazing Harald Lieske.
