

## China Incident

Wargamer Vol.1 No.37 Jan 1985 New Copy, has rusty staples from long-term storage. This game covers the 4 and one half year period from the outbreak of the Second Sino-Japanese War in 1937 to the Japanese attack at Pearl Harbor. Each player finds himself making both tactical and operational level decisions as well as strategic ones. Much of the richness in the game stems from the fact that the Chinese player must seek to win with the Nationalist or Koumintang forces while at the same time limiting growth to the Chinese Communist strength.
