Description

A Corsair Leader Tactical Display Neoprene Mat. Made of Neoprene, which is like a mousepad material. Rolls up easily for storage. Counters and cards slide across it easily. Also, dice don't get stuck in any board cracks!

Corsair Leader is the newest game in DVG's Air Leader series!

For the first time, the Air Leader series takes to the skies of WWII! Phantom Leader put you in the SAM filled skies over North Vietnam. Hornet Leader put you in the cockpits of the US Navy's best aircraft from the 1980s to present day. And, Israeli Air Force Leader gave you command over all of Israel's air wars from 1948 to present day.

DVG are proud to break into this new era, and Corsair Leader, and the rich history of the US Navy and Marines is the perfect way to do it. For those of you who are new to the series, **Air Leader** games are entirely solitaire by design. This means you can play whenever, where ever, and for as long as you like. No opponent needed! The game system handles all the enemy decisions and actions for you!
