Description

Folio Version.

A game by award-winning designer R. Ben Madison, **Don't Tread On Me!** is a grand strategy solitaire simulation of the American Revolutionary War. The player of this solitaire game plays the British side along with American "Loyalist" forces against the A.I. forces of George Washington and the Continental Congress. The game features a number of innovative elements including political control, state loyalty levels (which can change), and an off-map system to show the presence of militia forces in a battle.
