Description

EXPLORE the Galaxy, BATTLE new foes, UNMASK unknown enemies, FORGE mankind's destiny!

Assemble your friends and discover a future whose destiny lies in your hands. The Falling Stars Beginners Game is the fastest way path to the stars and beyond. The Falling Stars Beginners Game is designed to help introduce the exciting world of Role Playing and Tactical Gaming, yet provides a new game system and tactical rules that are constructed to be enjoyed by experienced role players and tactical sci-fi skirmish games, Falling Stars has it all for all types of gamers. Whether you're looking for the depth of a new universe to explore or just want some fast, easy tactical rules for some down and dirty gaming.

The possibilities are limitless as you and your friends carve a destiny for yourselves. When you're ready for more, even more, adventure, expand your horizon to include the Fallen Stars Core Rule Book, which offers 20 character classes and over 50 worlds, moons, space stations, or asteroids to explore. Also, don't miss the continuing campaign, Into the Long Dark Night, which starts either on its own or integrates seamlessly with the adventure in this Beginners Game!

Falling Stars - Beginners Game Includes:

- One Rulebook which includes the basic rules for role playing and skirmishing.
- Three chapter adventure which can be launched into a campaign of your own making or continued in the supplemental campaign book.
- Eight pre-generated characters folios, fully created and ready to use out of the box.
- One Full-color character counters.
- 28mm scale full color printed maps for the adventure, completely reusable for future Falling Stars adventures and campaigns.
- Two ten-sided dice.
