Description

A reprint of For King and Country and will be fundamentally identical the to 2011 version, described below.

For King and Country contains the complete (in ASL terms!) Order of Battle for the British along with eight mapboards (not available in any other ASL module) and 20 revised and updated scenarios from our favorites which appeared in past magazines or modules that are now unavailable.

These scenarios have been updated to incorporate existing errata and some have been changed to try and make them better balanced scenarios. You can download the changes that were made when updating FKaC scenarios so that your already owned versions of these scenarios will be up to date!

For King and Country contents:

- eight 8" x 22" geomorphic maps (6, 7, 10, 12, 13, 14, 15, and 32)
- one full countersheet of 1/2" counters
- three full countersheets of 5/8" counters
- one half countersheet of 1/2" counters
- one half countersheet of 5/8" counters
- 20 scenarios printed on 10 cardstock sheets
- one Chapter H for the British OB
