Description

Good Condition Punched Copy

For the People is a grand strategy game of the American Civil War covering the conflict from Texas to Pennsylvania, from the firing on Fort Sumter to the end at Appomattox Court House.

You take the role of either President Lincoln or President Davis and command the armies, promote and relieve generals, conduct amphibious assaults, dispatch cavalry raids, and even battle incompetency and political intrigue among members of your own cabinet.

Game Components

420 full-color, die-cut counters.

One 22x34" full-color mapsheet

One 6-sided die 40-page Rule and Scenario Book

110 Strategy Cards

Medium complexity and solitaire suitability
