Description

Open copy, never played. Shrink-wrap removed to verify condition after a long time in storage. Overall condition is excellent, given the age, counters remain unpunched (although the odd small section may have come loose). The game booklets have rusty staples and remain perfectly legible. Map/Charts are also excellent. Very light shelf-wear to the game box.

The US force, Task Force Eagle, aids Israel against the Arabs in Palestine, 1990. Med-high complex, 840 counters, 2 maps, 1+ players, 2-100 hours with lots of short scenarios.
