Heroes of the Soviet Union - The Defense of Mother Russia 1942-43, is a complete stand-alone game and the second game in the [Panzer Grenadier series](#). The first twelve scenarios can be played with the components included in the game. The second twelve scenarios require maps and counters from [Panzer Grenadier: Eastern Front](#).

In June 1941, Germany and its allies launched a surprise attack on the Soviet Union. Despite massive casualties, the Red Army of Workers and Peasants held off the invaders. By 1945, Soviet soldiers would capture Berlin and destroy an evil regime. At the forefront of this defense and counter-attack stood the elite Guards division, the Red Army's fiercest fighters.
