This huge historical module for Advanced Squad Leader covers the Siege of Cholm. German troops were surrounded by Soviets and held out waiting on supplies and reinforcements. This module contains 15 scenarios, 2 campaign games, 2 summer maps, 2 winter maps, 1 countersheet with 213 total counters, player aid cards, and a historical booklet.

Rules booklet (36 pages)

Historical background booklet (44 pages)

15 historical scenarios

2 campaign games

several A4 players aid sheets

2 x A5 small player aid sheets

2 x A1 maps "Winter look"

2 x A1 maps "Summer look"

One countersheet with 130 x 1/2" counters and 88 x 5/8" counters.

All this stuff will come in a box similar to the one we used for "Saint Nazaire 1942: Operation Chariot".

Of course, the theme is not as esoteric since it is East Front 1941 / 42... Meat and potatoes for any ASLer. Weight, close to 2 kilos
