" Landau or death!" Was the rallying cry of General Hoche's Army of the Moselle.
In this second opus of the "Great Tactic", two French armies separated by the Vosges face the Prussian and Austrian armies for the control of Landau, besieged by the Duke of Brunswick and about to fall. Players will have to maneuver through the Vosges to surprise their opponent and overwhelm him.
Three scenarios, including two playable alone, will relive the campaign of the Palatinate and the Rhine Valley, a battle of Wissembourg to another

scale:

A pawn = 1 PF = 1000 men
