Description

SPECIAL NOTE: It is understood that there may be a "slightly" misprinted chart (Italian Nationality) present in this issue. This is a minor problem with an easy solution, Le Franc Tireur has kindly made the chart in question available for download from their site.

Please visit the link below:

This issue focuses on the Italians, from the invasion of France to the Greek mountains, from Eritrea to Abyssinia or Somalia, Yugoslavia, Ukraine, but also Sicily and even China. Also included, two countersheets and 32 scenarios, thus a thicker issue than our regular LFT mag with, this time, 104 pages.

Contents

- , Editor's Foreword
- , Advancing Fire (an Italian project for ASL)
- , 10 questions to... ECZ
- , LFT Humor
- , Villeneuve d'Ascq 2018
