Description

Pre-Order ETA OCT 2019. Reprint Edition.

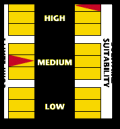

Navajo Wars is a one to two-player game which covers the amazing history of the Navajo people from their first encounters with European colonists until their brutal subjugation by the Americans. For over 250 years, the Navajo fought to preserve their way of life. Navajo Wars gives YOU a detailed look at this epic historic period from the perspective of the Diné - the Navajo people.

In Navajo Wars, you will face a constantly changing and aggressive enemy. You will face Spanish, Mexican, and American soldiers and settlers. You must skillful planning and resource management in order to maintain your tribe's freedom.

Other C19 : Navajo Wars (Reprint Edition)

Navajo Wars uses a unique mixture of cards and enemy instruction matrix to drive the actions of the Navajo's opponents. More than just chart-checking and die-rolling, in Navajo Wars you have to make lots of meaningful decisions in order to win!

Though designed from the beginning as a solitaire game, Navajo Wars also includes rules to play a semi-cooperative 2-player variant. In the 2-player game, both players can lose, but only one player can win!
