Description

Phantom Leader Expansion #1 is an expansion for the Phantom Leader Deluxe solitaire air tactical game. This expansion adds new gameplay to the original core set with new campaigns and aircraft to play with, new alternate targets to attack, new events to handle, and new skills to customize your pilots!

New components include 45 new aircraft cards, 42 alternate target cards, a Skills sheet, a counter sheet (88 counters), 4 campaign sheets and a rulesheet detailing how the new items can be used.

The Attack Run Sheet was a Kickstarter exclusive, and not included in the regular Expansion set.
