Description

Folio Version.

Easily the most famous engagement of the Civil War, **Pickett's Charge** was the high-water mark of the Confederacy. A frontal attack across open ground by 12,000 - 15,000 men against the center of the Union line in the teeth of withering artillery and infantry fire, Pickett's Charge was the defining moment of the battle of Gettysburg and, although militarily futile, represents to many the courage and glory of the Confederate soldier.

Pickett's Charge: The Last Attack at Gettysburg July 3, 1863 is a beer-and-pretzel, solitaire simulation at the brigade level of the historical events of July 3, 1863.
