### Description

Very good unpunched copy, box has tiny wear to it due to age.

Copy includes homemade (low quality) stickers from "RP Russian II and RP II Central Powers ") can be disposed if not interested in them.

Red Poppies simulates regimental-sized engagements from WWI with company-level units in 10 minute turns on maps scaled at 200 yards per hex. The game strives to illustrate the sort of command and control trade-offs that typified WWI battles.
