Description

Sam Grant brings to life the most dramatic event in American history, the Civil War. The game covers the war in the western theater, focusing on the three year struggle for Alabama, Georgia, Kentucky, Mississippi, and Tennessee. Rules to link Sam Grant with Bobby Lee (our game on the eastern theater) are included.

The historical campaigns of Shiloh, Vicksburg, Chickamauga, and Atlanta can be restaged, or you can devise your own "war-winning" strategies.

Multiple Scenarios

Sam Grant includes a campaign game plus three one year scenarios: 1862, 1863, and 1864. Each year can be played separately, or they can be linked together for longer games.

Playable History

Sam Grant is a game designed to be played, and played, and played. The game provides many hours of entertainment and rewards players with insight into the campaigns and battles of the American Civil War in a way no book can teach.
