Description

Special Forces II - War in the Aegean Sea!

The newest offering from Heat of Battle - Special Forces II is a Battle Pack with Scenarios representing the famed German Küstenjägers, compatible with the ASL® Game System or any other tactical level wargames.

The Kustenjagers definitely have a lot of special things going for them in the ASL world. They are Commandos, conduct Seaborne Assaults, use Hand-to-Hand combat, and sometimes attack in Motor Gun Boats. These are just a few of the interesting items in these scenarios set in Greece and the surrounding islands. The scenarios are quite diverse, ranging from island fighting to hill clearing.

Included in the Special Forces II pack:

Six tournament-style scenarios - Each scenario card is professionally printed in a TWO-COLOR format on the preferred card stock of ASL players.

The scenarios are:

- SF-7: DEADLY APPETICI; Leros, Dodecanese Islands, Aegean Sea; 12 November 1943
- SF-8: THE GUNS OF CORFU; Corfu, Aegean Sea; October 1944
- SF-9: NOW IT'S GERMAN!; Dodecanese Islands, Aegean Sea; 26 August 1944
- SF-10: FALSE FLAG; Isle of Calchi, Dodecanese Islands, Aegean Sea; Last week of August 1944
- SF-11: CLASH IN THE NIGHT; Port of Pothia, Kalymnos Island, Aegean Sea; 8 October 1943
- SF-12: OPERATION POLAR BEAR; Island of Kos, Aegean Sea, 3 October 1943

WW2 : Special Forces II: Küstenjäger! (SFII)

Counters representing Küstenjäger SMC, MMC, Crews and special MGBs.
