Description

1st Edition

Victory is an exciting, fast paced strategy game of World War 2 combat. You command a variable force of army, navy, and air units, over maps that can be joined together in a variety of ways. You can choose from ten (10) different unit types based on WW2 technology.

CONTENTS:

100 wooden blocks (blue and red)
Labels
4 Mapboard (15 x 11 inches each)
Rules
4 Dice

The Victory game system is simple, fast and fun and is an accurate reflection of WWII unit abilities and combined arms combat. Victory is easy to learn and is designed so that you can play within minutes of opening the box. Ages 10+

Victory is a game designed to be played repeatedly with mounting interest and enjoyment every time.

Victory is an expandable game. There are additional maps, units and scenarios.
