### Description

**Warparty** allows challenges and immersion for new players as well as seasoned veterans, offering the possibility for many different strategic avenues for players to master. Each army is compiled with many unique units that offer each army not only it's own flavor

In Warparty, players take command of the heroes and armies in a fantasy world beset by conflict. An alliance of Dwarves and Men are pitted in a battle of survival against the evil hordes of Goblins and the nefarious Undead. To win, players recruit massive armies, build cities, develop technology, and conquer territory in an effort to defeat their opponents by ultimately capturing their homeland. Beyond the mere battling of armies and world conquest, players direct the development of heroes to explore dungeons, battle fierce creatures and gain valuable treasure and spells that can be used to turn the tides of war against their foes. by it's own diverse set of strategies.
