### Description

The rampaging panzers of Hitler's 3rd Reich steamroll virtually unopposed over Europe until they collide with a nation too proud to capitulate. In this first starter set, The Western European Theatre, you and your friends can choose sides as the oldest western empire clashes with the newest expansionist tyrant. Can the Luftwaffe overwhelm the RAF? Can the allies hold the line in France? Who will win the Battle for the North Atlantic? You decide as armies from both sides are formed by your decisions and battles are executed at your command. The future of the civilized world hangs in the balance!
