WW2 : White Star Rising 2nd Ed. Formation Cards

The formation cards for the Nations At War White Star Rising are substitutes for the formation counters included already with this game. These formation cards are NOT required to play this game. The formation cards are for players who would prefer using the formation playing cards over the formation counters. The formation cards have a bit additional information showing the formation HQ game factors. There are three hexagons on the card. The green hexagon represents the HQ morale rating, the yellow hexagon command radius, and the grey hexagon represents leadership modifier. Some hexagons have one number and some with two to the left and right of the slash. The numbers to the left of the slash are the HQ full strength factors and to the right of the slash are the half strength.
